KN Care Product developed in Summer School

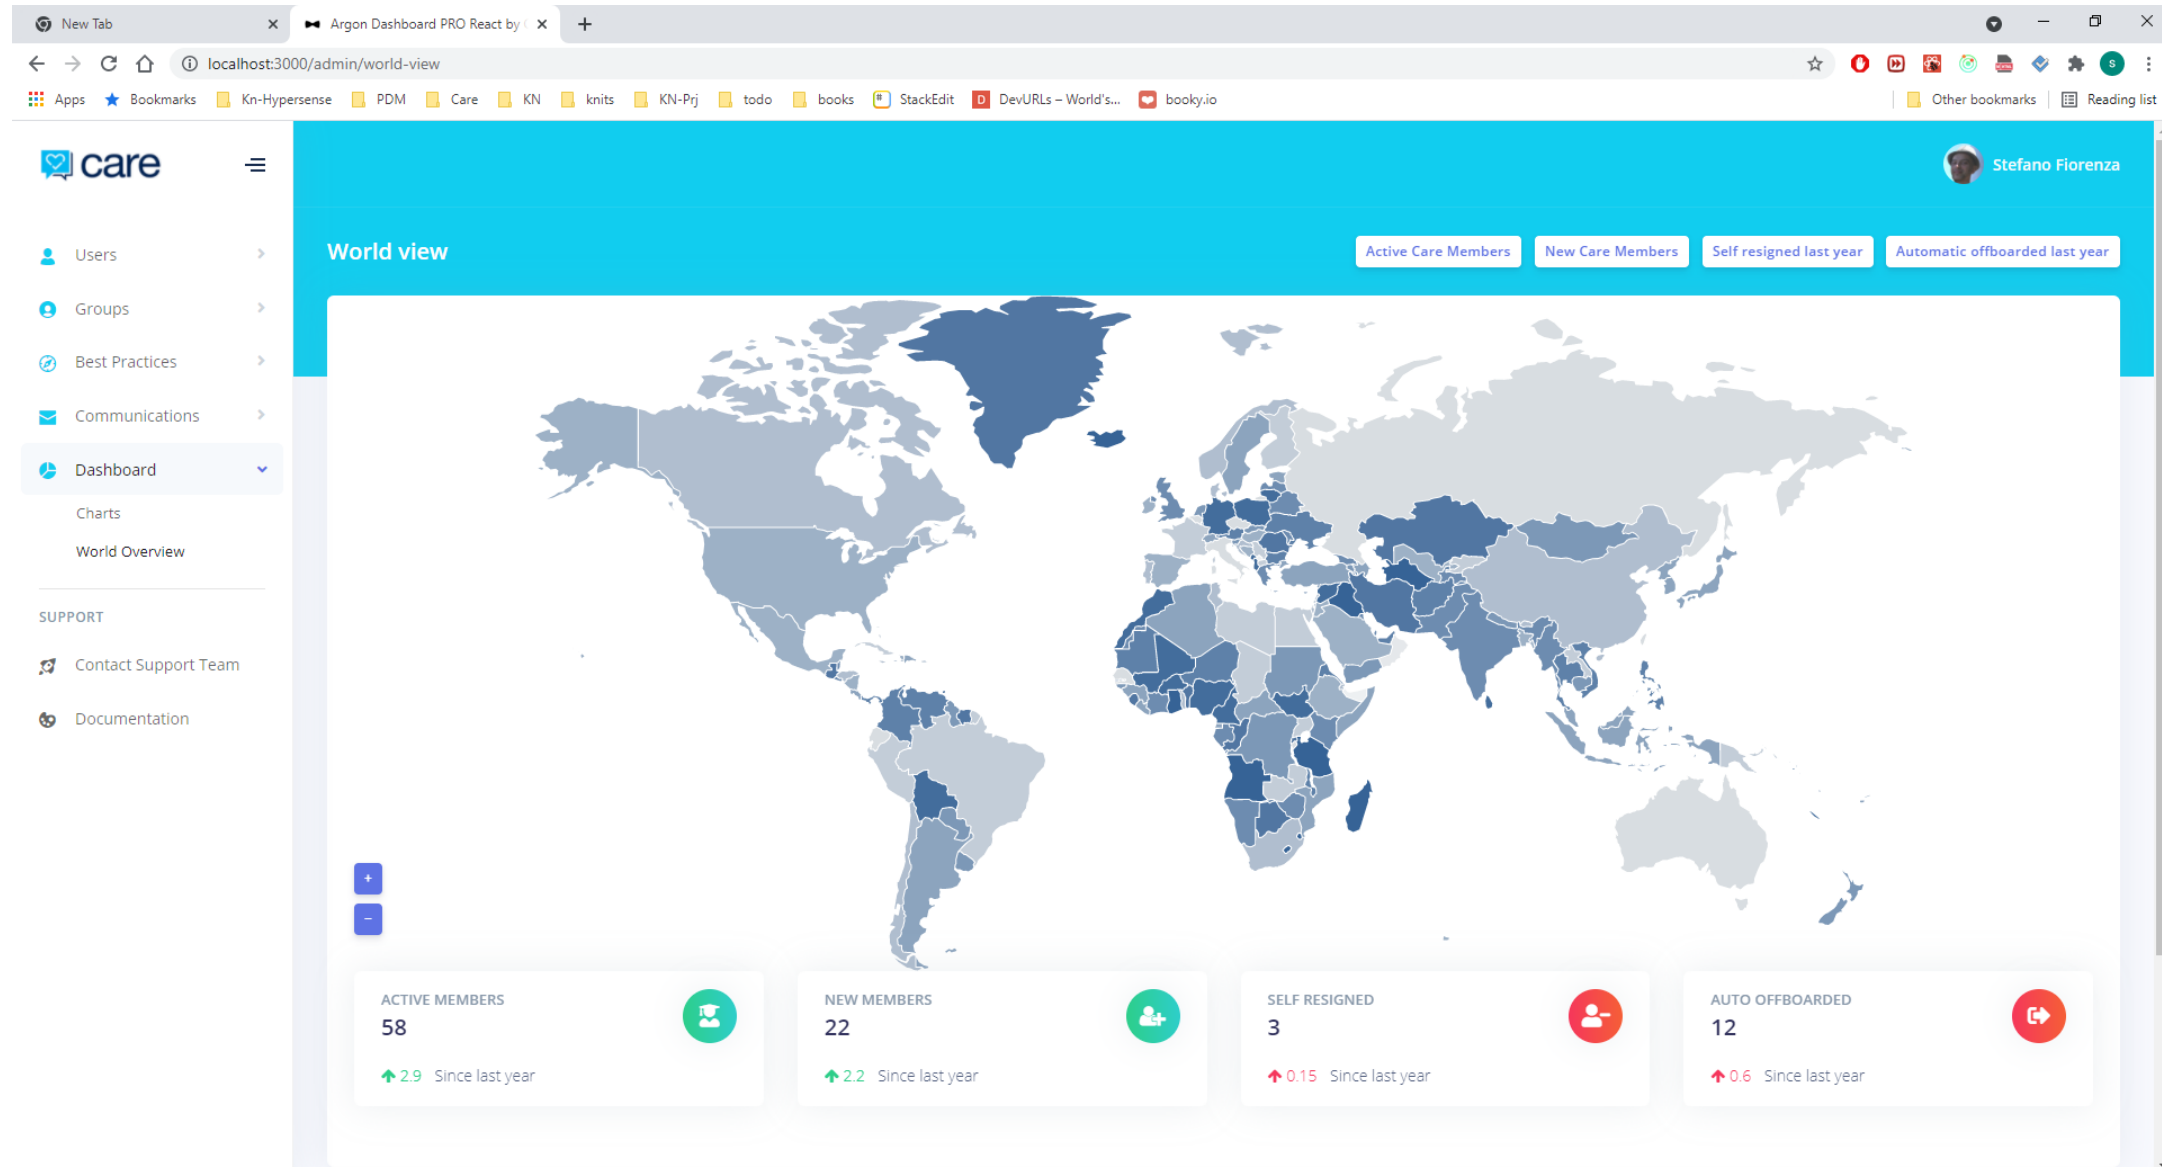

The screenshot displays the 'care' web application interface. The left sidebar contains navigation links: Users, Employees, Care Members, Groups, Best Practices, Communications, Dashboard, SUPPORT, Contact Support Team, and Documentation. The main content area is titled 'Employees' and shows 'Kn Employees from PDM'. It includes a search bar and a table with employee data. The table columns are: INT NAME, TITLE, BUNIT, COMPANYCODE, COSTCENTER, COUNTRY, and HIRINGDATE. Each row represents an employee with associated details and two action buttons (a blue one with a person icon and a red one with an 'x' icon).
